

Candidate Details

Ballot paper name

GOULD, Bettina

Candidate name

Bettina GOULD

District

City of Joondalup

Nominating for

Councillor for North-Central Ward

Election type

Ordinary

Enrolment status

GOULD, Bettina is eligible to stand for election as a resident of the City of Joondalup.

I'm stepping up to represent our community, from the perspective of a mum, resident, and local business owner. We made Iluka home 20 years ago, falling in love with the coastal community and local parks, where my kids played and I still enjoy with fellow dog walkers.

I left the corporate world to start my own yoga business in 2006, and was delighted to make finalist for the Joondalup Business Awards 2023 for Wellness Industry Award.

I am active in our community, joining Iluka Homeowners Association to help keep our suburb beautiful and assist with social events. I also attend Council Meetings, advocating for, amongst other things, responsible weed management and alternatives to groynes.

I believe honesty and transparency are essential to good decision-making. If elected I will strive to minimise rate and fee increases, spend funds wisely, promote support of local business and protect our beaches, parks and natural areas.

Thank you for your support and I look forward to being of assistance.
