You won't find a harder working Councillor. I'm a strong community advocate who gets things done. Successful campaigns include: saving our district sports fields from a supermarket development, protecting Duncraig Library Bushland, helping to stop the City from selling off Edgewater Quarry Park, and securing a pedestrian crossing in Burns Beach/Kinross for school children. I fought to protect small businesses in Kinross, raising a 5,000-signature petition against Coles.

A retired midwife and TAFE lecturer, I love this community, where I've raised my family and lived for 19 years. I'm running to preserve it for my grandchildren's generation. I support Kinross Community Garden and volunteer with Joondalup Coast Care.

I am independent and an experienced participant at Council. I'll work to make Joondalup an even more liveable and sustainable City, where rates and fees are affordable, businesses thrive, and our environment and community services are protected. I promise to make you proud!
