Search the Library collection

The library catalogue is the place to find what is available, reserve items, track down hard-to-find items or suggest something for us to purchase. Add a catalogue link to the home screen of your mobile device for quick app-like access.

From **joondalup.spydus.com** click settings or share, then **Add to Home Screen**.

Your favourite reads, faster

Use the catalogue to sign up for alerts when new stock is arriving. Configure your reading, viewing, or listening interests and Libraries will email you as new stock is made available.

Follow us for more

Sign up to the Libraries' eNewsletter at **joondalup.wa.gov.au** or follow Joondalup Libraries on Facebook and Instagram **@joondaluplibraries**

Event calendar

Browse and book upcoming events and activities at your library and in the community. Never miss out on author talks, workshops, presentations, story times, school holiday activities, club and group sessions.

The Libraries seasonal events and programs guide is available to browse at **joondalup.wa.gov.au** or pick up a copy at the Library.

Digital help

Need help connecting to Libraries or day-to-day online tasks such as banking, shopping, MyGov, social media or managing photos? Libraries offer a range of training, help and Discovery Sessions.

- Small group Ready Tech Go sessions.
- Keystrokes classes for in person one to one help.
- Look out for the technology icon and Discovery Sessions in the Libraries Seasonal Event guide.
- Call the Digital helpline for quick answers to your tech questions on **9400 4183**.

Online Resources

The Library catalogue has all your free online resources laid out in an easy to browse list for connecting quickly.

Ancestry

Watch your family story emerge from among 11 billion immigration, birth, death, marriage and military service records. Delve into the past to discover who's hiding in your family tree.

This resource is free to use in any of the City's libraries.

The West Australian and The Sunday Times

Read full text editions of *The West Australian* since July 2004 and *The Sunday Times* since January 2017. You

get all the editorials, all the news and all the photographic and classified materials that you find in the print version. This resource is fully searchable and can be accessed from anywhere in the world. Best of all is the scalable text for those needing larger print for reading comfort.

Transparent Language Online

Learn 100+ languages at home, in the library or on the go. Transparent Language Online is an easy-to-access program packed full of audio, pronunciation practice and engaging learning activities.

Build your listening, speaking, reading and writing skills or practice your English. Tuition is available in a range of non-English languages.

KidSpeak – Transparent Language Online

Children can explore, play, and learn languages at home or on the go. KidSpeak has fun and vibrant learning activities to teach your children French, Spanish, German, Italian, Mandarin, or English.

The program is designed for children to learn on their own, however, you can use the parental guide to get involved and assist your child's learning:

- letters and numbers
- animals and sounds
- body parts
- colours
- food
- everyday vocabulary.

Click the KidSpeak option in the top navigation bar for your chosen language.

Transparent Language Online is available through a web browser without additional downloads or apps.
