

CCTV Rebate Scheme

Step 1: Pre-approval Checklist

Before submitting your CCTV Rebate Pre-approval (Step 1) application, please consider and note the following:

- ❑ You must be 18 years of age or older.
- ❑ You must live, own a property (residential or commercial), or own or work in a business within the City of Joondalup.
- ❑ (For residential properties) You are the owner of the property where the CCTV is to be installed or you have written permission from the property owner for you to participate in the Scheme and apply for Pre-approval.
- ❑ (For businesses and commercial properties) You are the business owner and/or owner of the property where the CCTV is to be installed or you have written permission from the business/property owner for you to participate in the Scheme and apply for Pre-approval.
- ❑ A written quote has been obtained for the proposed installation of the CCTV system from a registered security business with a Class 2 security licence. Written quotes must include the Security Agent Installer licence number.
- ❑ You will provide a photo of the proposed field of view of the public-facing camera.
- ❑ You will need to pay for, install the CCTV System and apply for the CCTV Rebate Payment (Step 2) within 60 days of receiving notice of Pre-approval from the City.
- ❑ You understand you will be required to register your CCTV system with Cam-Map WA and operate and maintain your CCTV system for no less than 12 months.
- ❑ The City reserves the right to cancel Rebate approvals and/or payments at any time if any of the above conditions have not been met to the satisfaction of the City.
- ❑ You have read and understand the Terms and Conditions.
